## Welcome to Riverhead

**On behalf of the Riverhead Chamber of Commerce we're rolling out the red carpet for you and your family!**

It is my honor to be involved with this great community. Our annual Country Fair brings crowds of people here to discover our Main Street and our Riverfront. For some it is your first introduction to what Riverhead has to offer. Here, at the end of the Long Island Expressway- you'll find the beginning of family fun! Superb beaches, renown golf courses, widely acclaimed vineyards and wineries, a world class Aquarium, a thrill filled water theme park, leading hotels, Inns and restaurants- all set against the beautiful backdrop of the countryside of eastern Long Island. "And the shopping!!!" Riverhead is a shopper's paradise of variety, choice and value. From the respected national brand names found at our Tanger Outlet center to our downtown pubs, bistros and ice cream shops... from our farm stands and "pick your own" farms- to the small, cute shops and services of our heritage filled Polish Town neighborhood- you'll discover why Riverhead has been known since its founding in 1792 as "the marketplace of eastern Long Island."

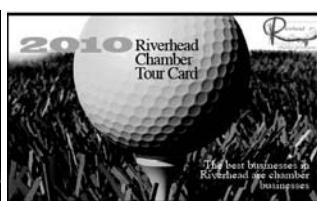

It is my honor to serve as President of the Chamber of Commerce. Our entire focus is the support of this marketplace. We started the year with a simple breakfast meeting we called Eggs & Issues. It has been swept up by this community as a monthly forum for all things business. Here we spread the good news on growth and there is a buzz. We also put a twist on lunch and created mini seminars that teach as well as feed, we call these "Lunch & Learn; making your lunch work for you. Our first was in partnership with Suffolk County Community College's Culinary School where we learned about the "Mediterranean Diet" and heart health. We are working closely with the Business Improvement District and have created two Free Family Concerts on the riverfront this summer. Our "Let's Make A Deal Day" took networking to a new level too, at our first Dealmakers Convention this March we paired companies together to collaborate on win/win partnerships in time to see them work for the summer tourist season.

Our goal continues to be business. We support our members with marketing advice, tools and the arenas in which to prosper. We have a vibrant and active Facebook page, a 30 Something Business Committee, a Meetup Network, a community calendar on our website that is supported by RiverheadLocal.com. Our award winning local paper, the Riverhead News Review has partnered with us on all of our events and is a source of wisdom and support.

I invite you join our organization in any way. Stay in touch online or call our offices. We are here to promote your business and keep Riverhead working.

Sincerely,  
Robert Lanieri  
2010 President  
Riverhead Chamber of Commerce

Welcome to the Riverhead Country Fair. The Country Fair is a longtime Riverhead tradition that keeps our community in touch with our agricultural roots and allows neighbors and friends to gather to usher in the fall. The fair is a meeting place for artists, craftsmen, food purveyors and farmers who display their goods in the open air along Main Street and the Peconic River.

Each year families from all over Long Island make the trip to Riverhead to buy a candied apple, enjoy the music, participate in a pie eating contest, watch the tractor parade and enjoy the simplicity of life here on the North Fork of Suffolk County.

So relax and enjoy some country hospitality as you stroll the fair today and thank you for coming to visit us this weekend. We hope to see you in Riverhead again sometime soon.

Riverhead...A better place to be.

# Welcome to the 35th Annual Riverhead Country Fair!

## MESSAGE FROM THE CO-COORDINATORS

We have written 27 of these "welcome to Riverhead" messages on behalf of the talented and dedicated committee which runs the Riverhead Country Fair. This is our twenty-eighth and final message as coordinators. We leave this job believing that our Fair Committee is strong and will continue to lead this vital community activity forward into the future.

In 1976, as a way of Riverhead's celebrating our nation's bicentennial, a group of citizens decided to revive the old Riverhead Fair. That Fair was an annual attraction for people from all over Long Island until it ceased during the depression. The fair tradition was still strong, however, and the new Riverhead Country Fair began. Pat Stark and Lana Anker were the coordinators until 1983 when they turned the job over to us.

This wonderful Fair will be in our hearts forever, and we will continue to cherish the friendships we have made because of it. We are, however, confident that Patrick Mulcahy, as the new coordinator, will lead the Fair into a successful future.

Thanks to all the volunteers, professionals, vendors, competitors, performers, boaters, merchants and everyone else who has joined each October to make our Fair the very best anywhere.

ENJOY YOUR DAY IN OUR TOWN!

Connie and Jim Lull, coordinators

---

It is my pleasure to be a partner to both Jim and Connie Lull and their generous contributions to the Annual Riverhead Country Fair.

As Co-coordinator in the 35th year of this celebration, I am proud to have learned from two incredibly dedicated and passionate people that have taken great pride in the development of this tradition. I am honored to continue their traditions and vision of the "little town-wide block party" well into the future.

My family moved to Riverhead Town in 1969, and I purchased my first home in the township in 1983. My family (Pam, Ryan, Kevin and Emily)

have enjoyed coming to the fair and celebrating the town for many years. Most recently we have assisted Jim and Connie in various aspects of prep work to create an environment where people come from all over

Long Island to celebrate and welcome autumn on the East End.

I appreciate and look forward to the opportunity of working with the many volunteers and Committee people to help achieve one of the important goals of our town, which includes the celebration of its people, and thank Jim and Connie for this great opportunity.
